

Conference

Aged Care: Empowering the Elderly II Kuala Lumpur, Malaysia

The Australian Trade Commission (Austrade) invites the Australian Healthcare and Aged Care expertise to explore business opportunities and network with an audience from across Asia in aged care

About this conference

This conference will comprise a series of presentations and dialogue discussions between Australian, Malaysian and Asian companies on various case studies and business models that are potentially applicable to the Asian markets.

Australian Healthcare and Aged Care expertise are renowned globally for their leading role in shaping and developing the relevant industries through technology and innovation. This conference serves as a platform to showcase Australia's capacity in aged care and to explore business opportunities in the aged care industries in Asia.

Visitors' profile

Healthcare, medical training and infrastructure sectors (developers); aged care givers, aged care operators, developers and owners (day care, acute care, retirement resorts, retirement villages), architects, investors, facility managers.

Why you should attend

- Benefit from industry information and insights through knowledge sharing and navigate the business environment in Asian markets
- Explore new and exciting cross-border collaboration in aged care industry in the Asia market
- Opportunity for Australian companies to have early engagement with Malaysian/Asian aged care projects
- Network with counterparts in the aged care market from Australia and Asia
- Discover how the Australian Trade Commission's team of trade specialists can help maximise your chances to establish qualified contacts with strong prospects for future business opportunities in the region.
